

*Our mission is to train ethical, competent and compassionate lawyers,
representative of our diverse society, who can use the law effectively and creatively.*

Oath of Professionalism

I believe it to be my individual obligation to conduct myself professionally at all times, and by my conduct to demonstrate my profound respect for the rule of law and the institutions upon which it depends.

While I am a student at California Western School of Law, I commit myself to acquiring a fundamental understanding of the general principles of law and to mastering my chosen areas of study. I pledge to maintain high ethical standards of conduct and to promote the values of tolerance, respect and civility towards my student colleagues, faculty, staff, attorneys and the judiciary.
