

RESOURCE LIST FOR STUDENT LEADERS

The following is a list of resources to help student leaders and Diversity Coalition leaders support their members, lead in times of political and social uncertainty, and answer questions. This list is a starting point only. If you have additional resources to add, please let us know! Send information to diversity@cwsf.edu.

Witnessing or experiencing intimidating or inappropriate behavior? Go to the Student Life Center and talk to the Assistant Dean or Director of Student and Diversity Services. California Western is committed to creating and maintaining a community free of all forms of exploitation, intimidation, and harassment.
