### **Smoking Policy**

*Updated: September 2014*

CWSL is committed to providing a healthy, comfortable, and productive environment. Smoking is prohibited at all times within all CWSL buildings. The use of electronic smoking devices (i.e. e-cigarettes) is also prohibited. In addition, smoking is prohibited within twenty (20) feet of the entry/exits of each of CWSL's buildings (225 Cedar Street, 290 Cedar Street, and 350 Cedar Street). The twenty (20) foot perimeter is designated outside each building with red paint. **Smoking is permitted only in the breezeway on the west side of the 225 Cedar Street building. (Signs are posted indicating permitted smoking area.)**

The law school community is encouraged to take responsibility for communication and enforcement of this policy. Where this is not possible or does not occur, responsibility for policy enforcement shall be as follows:

Employees: Supervisor or Vice President of Human Resources  
Students: Assistant Dean for Student and Diversity Services or Designee  
Visitors: Campus Security

The consequences for failing to comply with this policy will be determined as appropriate under the circumstances. Those consequences may include, without limitation, a request to refrain from the activities prohibited by this policy; a request to leave campus; in the case of a student, disciplinary action in accordance with the Code of Student Professional Conduct; or, in the case of a CWSL Employee, disciplinary action in accordance with this Handbook.
