Generally, instruction for CWSL courses will be provided in person at the school’s San Diego campus. However, some courses may be provided at other designated locations, if determined to be appropriate or necessary for the course (e.g., clinic courses). Instruction and services may also be changed, at any time, to a remote format. This may be done short term or, if doing so is determined to be appropriate for health and safety or other contingencies, for longer periods of time. Any such modifications will be made in accordance with all applicable ABA Standards.
